Remarks

Experience the luxury of golf course living in this stunning 3,200 sq. ft. custom-built home designed for comfort, elegance, and functionality. From the inviting front entry accented with beautiful rock walls, step inside to discover two well-sized guest bedrooms and a large guest bath featuring a fully tiled walk-in shower. On the opposite side, the spacious 265 sq. ft. casita offers its own private entries from both the front porch and garage, plus a convenient half bath and large linen closet-ideal for guests, extended family, or a home office. The heart of this home is perfect for entertaining, offering two main seating areas separated by a granite-top half wall. One features a custom lighted shelf wall for added charm and display space. The open-concept design flows seamlessly into the dining area and the gourmet kitchen-complete with new stainless-steel refrigerator and microwave, abundant granite counter space, and cabinetry galore. The exceptionally large primary suite provides plenty of space for a sitting or exercise area, with a luxurious ensuite bath showcasing a jetted soaking tub, extended vanity, and beautifully tiled walk-in shower. The custom walk-in closet features built-in deep drawers, shoe racks, and generous hanging space. Additional highlights include granite
